

## Which email address/username should I use when logging into G.Partners?

You will see this screen after you click on a link to G.Partners or visit a bookmarked site:

 <b>Sign in</b> <input type="text" value="ext_johndoe@partners.gilead.com"/> <a href="#">Can't access your account?</a>  <input type="button" value="Next"/>	<p>Sign in with your Gilead network ID with <b>@partners.gilead.com</b> appended to it.</p> <p>Example: <b>ext_johndoe@partners.gilead.com</b></p>
--	--

A second login screen will appear:

 <b>Gilead</b> <b>Email Address</b> <small>Employees/Contractors: use your Gilead Email External Partners: use your organization Email</small> <input type="text" value="johndoe@yourorg.com"/> <input checked="" type="checkbox"/> Remember me <input type="button" value="Next"/> <small><a href="#">Click here for a link to Terms of Use, Gilead's Privacy Statement, Help Logging In, and Service Desk Contacts</a></small>	<p>Here you will enter your organizational email.</p> <p>Example: <b>johndoe@yourorg.com</b></p> <p>Prior to March 3, 2023, partners used their Gilead username on this screen.</p> <p>You will then be asked for your existing Gilead password.</p>
